

Community Health Needs Assessment

Bridging Health Duluth

2020–2022

DULUTH, MN (86,164 population)

19 focus groups

336 community members

75 partnering organizations

GUIDING PRINCIPLES

1. Collaborate towards solutions with multiple stakeholders (e.g. schools, worksites, medical centers, public health) to improve community health.
2. Build trust through collaboration with community members experiencing health disparities.
3. Prioritize sustainable evidence-based efforts around the greatest community good.
4. Create clear, specific, realistic, and action-oriented goals to improve priority health indicators.

Mental Health

Percent of adults who reported having depression.

Youth Substance Abuse

1 out of every 3 students in 11th grade reported smoking e-cigarettes.

Food Insecurity

Duluth

Percent of adults who reported often feeling worried about running out of food.
